Description

The KC-MC1XDZP01 mating connector kit includes mating connector housing and crimp pins for use with *ADVANCED* Motion Controls MC1XDZPE01 and MC1XDZPC01 mounting card models. Each individual kit contains mating connector housing and crimp style contacts for the mounting card I/O, Feedback, Auxiliary Feedback, and Communication connectors.*
*Photo is for connector series reference only. 2 extra contacts included with kit. The recommended tool for crimping the contacts is Molex part number 63811-6300. Crimping tool not included with KC-MC1XDZP01.
Included in KC-MC1XDZP01 Kit:

I/O Connector Mating Connector

Part Information:	20-port, dual-row, 2.00 mm spaced plug, vertical mount
Manufacturer Part Number:	Molex: P/N 51353-2000 (housing); 56134-9100 (contacts)
Quantity:	1 housing, 20 crimp-style contacts

Feedback Connector Mating Connector

|	
Part Information:	18-port, dual-row, 2.00 mm spaced plug, vertical mount
Manufacturer Part Number:	Molex: P/N 51353-1800 (housing); 56134-9100 (contacts)
Quantity:	1 housing, 18 crimp-style contacts

Auxiliary Feedback Connector Mating Connector

|	
Part Information:	10-port, dual-row, 2.00 mm spaced plug, vertical mount
Manufacturer Part Number:	Molex: P/N 51353-1000 (housing); 56134-9100 (contacts)
Quantity:	1 housing, 10 crimp-style contacts

Communication Connector Mating Connector

Part Information:	8-port, dual-row, 2.00 mm spaced plug, vertical mount
Manufacturer Part Number:	Molex: P/N 51353-0800 (housing); 56134-9100 (contacts)
Quantity:	1 housing, 8 crimp-style contacts

MOUNTING CARD COMPATIBILITY
- MC1XDZPE01
- MC1XDZPC01
